Subject: Updated "Sample Blitz" Results Spreadsheet:

All,

Please find the updated Results Summary Spreadsheet for the “Sample Blitz” event, July 9 – 10, 2015, attached as a .xlsx file.

Changes include: all beach names identified and added (thanks to Thixton, Torres and Gibson for the quick turnaround), beach names misspelled have been corrected and sampling dates added to header and given a column.

Please let us know if you need any other information or clarification.
